A message from the NCA President to our Brothers and Sisters in Law Enforcement...

The National Constable's Association recently held its 30th Annual Convention in Dallas, Texas on March 10, 2010 through March 13, 2010. What a great opportunity it was to meet and fellowship with both Constables and Marshals from around the country.

The Convention Chairman, Constable Clint Burgess from Tarrant County, Texas put together an exciting schedule of instructive training and nightly events for those in attendance. Also, we were honored to have Louisiana Attorney General James D. "Buddy" Caldwell, former Texas Secretary of State Roger Williams, along with special guest Captain Claude R. Platte, one of the few surviving members of the Tuskegee Airmen, join us for our banquet dinner.

In the upcoming fiscal year the National Constable's Association will make a concerted effort to increase its membership roster, develop a cohesive camaraderie which promotes the values shared by the members of our esteemed organization, extend to its members additional member benefits and spread the message "Through Unity We Shall Prosper".

Let us never forget our fallen brothers and sisters who have made the ultimate sacrifice in serving their communities and this great nation. Let us learn by the example of their lives, to resist complacency and exercise unwavering vigilance while serving our communities.

As we depart Dallas, Texas and return to our precincts, cities, townships, counties, and states, let us remember those words spoken by our 35th President John F. Kennedy "ask not what your country can do for you, ask what you can do for your country".

May God continue to bless this National Constables Association, its members and our nation. With warmest regards, I am

Sincerely,

Captain Daniel Palazzo
NCA President
