

**AIMS AND PURPOSES  
OF THE  
NATIONAL CONSTABLES ASSOCIATION**

To maintain a close and positive relationship with all other law enforcement agencies.

To establish and maintain an organization of elected and appointed Constables to present a strong, united, and professional approach to all matters of concern to the Constable.

To upgrade the quality of performance of the Constable through education and training programs.

To urge our best efforts for the Constable to become actively involved in civic and community organizations and activities.

To help develop a program of benefits in health and accident, disability, life insurance and other benefits to the Constables and their families.

To protect and upgrade the legislated duties and responsibilities of Constables and to maintain a vigilance in protecting the security and statute of the Constable.

The directors, officers and members of the National Constables Association fully realize their obligation to improve the status and role of the Constable in the delivery of justice system.

**“justice with understanding”**
